

ECO-CHALLENGE 2019
TEAM VIDEO INSTRUCTIONS

Please make a 5-10 minute video of your 4 team members and the 1 assistant crew member

SUGGESTIONS TO COVER IN YOUR VIDEO:

- Name, age, hometown and current city for all 5 team members
- What is your team name? Why?
- How long have you known each other and what is your relationship to each other?
- What is your team's experience with outdoor activities/adventure races and other races?
- What does your team bring to this competition that is unique?
- How competitive is your team?
- Why do you want to race in Eco-Challenge?
- Include anything else that separates your team and makes you memorable.

TECHNICAL TIPS FOR MAKING YOUR VIDEO:

- Have someone else record your team or use a tri-pod. Don't hold the camera yourself.
- Don't interview other people talking about your team.
- Make sure you have lots of energy!!
- When you are shooting indoors, turn on every light in the room before you begin and DO NOT film in front of a window
- Don't film in front of any posters, paintings, photographs, sculptures, or any other copyrighted or trademarked material.
- Do not add music or have any music or other audio playing in the background.
- Don't wear any logos or clothing with copyrighted material (e.g., photos, graphics, etc.).
- Don't film in a setting with a lot of background noise - like near a busy street.
- Check your video before you send it in - make sure your team can be seen and heard.

PLEASE UPLOAD YOUR COMPLETED SUBMISSION TO YOUTUBE OR VIMEO AS AN UNLISTED VIDEO AND THEN EMAIL A LINK TO YOUR TEAM VIDEO TO:
